Sub.: Suggestions / Comments on improving participation of athletes in heavy weight categories during Junior and Youth National Weightlifting Championships from 2020-21 onwards.

Dear All,

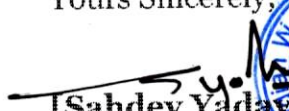

It has been observed from that participation of athletes in heavy weight categories were very less as compared to other weight categories during the past Edition of Youth and Junior National Weightlifting Championships held at Bodh Gaya (Bihar), details as under:-

Section	Year	96 kg	102 kg	+102 kg	109 kg	+109 kg
Y Boys	2019-20	7	6	4	--	--
Jr Men	2019-20	10	7	--	4	5
		76 kg	81 kg	+81 kg	87 kg	+87 kg
Y Girls	2019-20	4	6	6	--	--
Jr Women	2019-20	6	3	--	3	3

In order to develop the sport of weightlifting, it is imperative to maximise participation of athletes in heavy weight categories from all affiliated States. It is our duty to encourage athletes from various sections to adopt the sport of weightlifting so that healthy competition will be fought in heavy weight categories also.

In this regard, we welcome your suggestions as how to improve upon participation of athletes in heavy weight categories as above. Kindly send your suggestions to IWLF office by email **on or before 30th November 2020.**

Yours Sincerely,

[Sahdev Yadav]
Secretary General
