**Sub.: Detailing of International & National Referees registered with Indian Weightlifting Federation for participation during All India Inter-University Weightlifting Championships without prior knowledge of Indian Weightlifting Federation – Disciplinary Action – reg.**

Dear All,

It has come to our notice that some of the International and National referees registered with Indian Weightlifting Federation have been officiating on their own without the prior knowledge and permission of Indian Weightlifting Federation in weightlifting events such as School Games and Inter-University Weightlifting Championships where no dope tests were conducted by the Organizing Committee.

All International and National referees (Category-1 & 2) are advised to stay away from those competitions where no dope test(s) were conducted by the Organizing Committee or should take prior permission from the Federation where Referees have been invited personally.

Those referees who will not comply with the directions of the Federation will lose their licence, in future.

Kindly take a note of it and inform the registered National Referees of your State and Units accordingly.

Yours Sincerely,

  
[Sahdev Yadav]  
Secretary General
