Sub.: Issuance of athlete id cards for the registered athletes applied online for participation in next 2 Editions of Youth & Junior National Weightlifting Championships-2022-23 and 2023-24.

Dear All,

The registration link for issuance of athlete ID Cards has been closed on **15th May 2022** and a whopping number of 2200 new registrations were received by Indian Weightlifting Federation on its website.

It is heartening to note that athletes of State Associations have complied with the directions of Indian Weightlifting Federation. The registration link will remain closed till 15th June 2022.

All the athletes who have registered themselves online with payment of registration fee will be issued the Athlete ID cards in due course of time. All State Associations are advised to instruct their athletes not to send unnecessary emails about their athlete id cards issuance. The secretariat office of Indian Weightlifting Federation will issue the id cards upon scrutiny and verification of documents submitted by the athletes online which will take its course of time.

Kindly take a note of it and circulate this letter amongst athletes of the State(s).

Yours Sincerely,

[Arnab Das]
Chief Executive Officer
