- (iv) The President informed the House that doping incidents are once again on the rise and on numerous occasions, the athletes and the other stakeholders have taken reprieve in the existing doping policy due to missing word and names of new Championships and Games were not mentioned in the existing anti-doping Policy. The clause of ADEL and submission of Whereabout Information is also mandatory for participation in International / National events and accordingly a new Anti-Doping Policy will be tabled to all the members with a separate agenda item in the forthcoming Meeting of Executive Committee and Annual General Council of Indian Weightlifting Federation to be held at Nagrota Bagwan (Himachal Pradesh).
- (v) The President further informed the House that Indian Weightlifting Federation will be re-constituting the Athlete Commission through voting to be held at Nagrota Bagwan on 12<sup>th</sup> October 2024 for which nominations of 2 athletes will be required from all State Associations for final contest. The President urges all the State Association members who are in the Executive Committee to send the

nomination by email on or before 1<sup>st</sup> October 2024 (last date of sending nominations for the Athlete Commission).

- (vi) The President informed the House that from 2024-25 onwards all payments made by the State Association will attract @18% GST over and above the amount stipulated by the Federation as part of compliance with Ministry of Finance, Government of India.

The items which will be leviable with GST are Doping Penalty, Affiliation Fees and ID card fees.

The entire House after deliberations passed a resolution to levy GST on payments of Doping Penalty, Affiliation Fee and ID card fees against Invoice raised by Indian Weightlifting Federation from the year 2024-25 onwards.

- (vii) The President informed the House that an email from Shri B. Venkatramiah was circulated to all the members stating to include the Boarding & Lodging for athletes and team officials during the National Championships contrary to the decision made by Executive Committee and Annual General Council meetings held at Itanagar (Arunachal Pradesh) on 29<sup>th</sup> December 2023.

The President informed the House that since Government has withdrawn the grants for conducting the National Championships it is difficult for the Organizing Committee to absorb the expenditure solely as it was a practice made by the participating State Associations to bring the team in large numbers where relatives and guardians of the athlete also travelled with them and stayed back for 10-12 days without any reason. Moreover, there was a lot of food wastage during the National Championships as the food was complimentary served by the Organizers. Additionally, the furniture, fixtures and appliances

made available to the athletes were also damaged by them for the reasons best known to them.

The President further informed that Indian Weightlifting Federation has sanctioned a lump sum grant of Rs. 15 lakhs to Himachal Pradesh as a onetime experiment for building of FOP, hiring of equipments and TSR. This grant will not be available to the other State Associations who will be conducting National Championships in future. He further invited Shri B. Venkataramiah to organize the 2025-26 Edition of National Youth, Junior & Senior Weightlifting Championship in the State of Andhra Pradesh on the terms and conditions quoted in his email dated 27<sup>th</sup> September 2024. The entire House agreed and approved that decision of meetings held at Itanagar will remain final.

**Any other with business permission of the Chair:-**

- (viii) Shri B. Venkatramaiah requested the Chair to bifurcate the National Championships with Youth and Junior and Senior separately as per earlier practice adopted by Indian Weightlifting Federation. The President informed the members that the calendar of events now a days is loaded with numerous competitions in Zonal Asmita Leagues, Khelo India Youth Games, Khelo India University Games, International events and conducting the National Championships separately for each section is not feasible as the States will also conduct the State Championships in between this time only.

As there is no other business to transact, the meeting ended with vote of thanks to the Chair.
