Dear All,

In order to facilitate the issuance of valid Athlete ID Cards for Junior and Youth age category athletes, the Indian Weightlifting Federation requires the mandatory submission of the revised Age Verification Form issued by the Sports Authority of India. The updated form is enclosed herewith for your reference and can also be downloaded from the website of Indian Weightlifting Federation.

1. A combined opinion of Radiologist, Dentist and Physician is necessary to ascertain the age of the athletes.
2. Hence, the Age Verification Test (AVT) should be done through a Hospital having all 3 above mentioned experts besides requisite testing facilities.
3. The Hospital shall give an age band / range of  $\pm 1$  year. The age band gap range shall be restricted to  $\pm 1$  year only.

You are requested to ensure that the form is duly completed with all necessary details and parameters, and uploaded to the designated portal in PDF format only.

Timely submission of the required documentation is essential to ensure the smooth and efficient issuance of the Athlete ID Cards.

Yours Sincerely,
