IWLF reserves the right to conduct the presentation through virtual mode in case of any unforeseen exigencies. Bidders will be notified in case of any deviation in schedules.

2.5) Fraud / Corruption

IWLF requires that the bidders participating in the selection process adhere to the highest ethical standards, both during the selection process and throughout the execution of the Contract. In pursuance of this policy, IWLF defines, for the purpose of this paragraph, the terms set forth as applicable to both the parties:

2.6) “**Corrupt practice**” means the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value (whether in cash or kind) to influence the action of a public official in the selection process or contract execution.

2.7) “**Fraudulent Practice**” means a misrepresentation or omission of facts in order to influence a selection process or the execution of a contract.

2.8) “**Collusive Practices**” means a scheme or arrangement between two or more bidders with or without the knowledge of IWLF, designed to establish prices at artificial, non-competitive levels.

2.9) “**Coercive Practices**” means harming or threatening to harm, directly or indirectly, persons or their property to influence their participation in a procurement process or affect the execution of a contract.

2.10) **IWLF** will reject a proposal for award if it comes to know that the bidder recommended for award has, directly or through an agent, engaged in corrupt, fraudulent, collusive, or coercive practices in competing for the contract in question; and

2.11) Bidders shall be aware of the provisions on fraud and corruption prescribed in the specific clauses in the General Conditions of Contract.

2.12) Only One Proposal

Bidders will submit only one proposal. If a Bidder submits or participates in more than one proposal, all such proposals shall be disqualified.

2.13) Proposal Validity

The Data Sheet indicates how long Bidders’ proposals must remain valid after the submission date. During this period, Bidders shall ensure the availability of professional staff. IWLF may request Bidders to extend the validity period of their proposal. Bidders who do not agree have the right to refuse to extend the validity of their proposals.

2.14) Clarification and Amendment of RFP Documents

Bidders may request clarifications on any part of the RFP documents up to the number of days indicated in the Data Sheet before the proposal submission date. Any request for clarification must be sent in writing, or by standard electronic means to IWLF’s address indicated in the Data Sheet. IWLF will respond in writing, or by standard electronic means and will send written copies of the response (including an explanation of the query but without identifying the source of inquiry) to all Bidders. Should IWLF deem it necessary to amend the RFP as a result of a clarification, it shall do so by the following procedure.

At any time before the submission of Proposals, IWLF may amend the RFP by issuing an addendum/corrigendum in writing or by standard electronic means. The addendum shall be uploaded on the IWLF website and will be binding on them. To give Bidders reasonable time in which to take an amendment into account in their Proposals, IWLF may, if the amendment is substantial, extend the deadline for the submission of Proposals.

2.15) Preparation of Proposals

The Proposal as well as all related correspondence exchanged by the bidders and IWLF, shall be written in the language (s) specified in the Data Sheet.

In preparing their proposal, bidders are expected to examine in detail all the documents comprising the RFP. Material deficiencies in providing the information requested may result in rejection of a proposal. Each page of the Bid has to be numbered and signed either by the Principal Officer of the Agency or his duly Authorized Representative, in which case the bid shall be accompanied by a certificate of authority. A bid which does not fulfil this criterion will be treated as non-responsive and will be liable to be rejected.

The prospective bidders are expected to examine all instructions, forms, terms, requirements, and other information in the RFP documents. Failure to furnish all information required as mentioned in the RFP documents or submission of a proposal not substantially responsive to the RFP documents in every respect will be at the prospective bidder's risk and may result in rejection of the proposal.

Bidder should mandatorily mention their official email id on the Envelope of Bid submission.

2.15.1) Technical Proposal

Bidders are required to submit an original full Technical Proposal to (Communication Address) **"Technical Bid - AGENCY NAME - " Selection of an Event Management Agency (EMA) for Asian Weightlifting Championships from 10-17 May 2026 at Mahatma Mandir Convention and Exhibition Centre, Gandhinagar, Gujarat"** as per details mentioned in Data sheet. The Data Sheet indicates the format of the Technical Proposal to be submitted. Submission of the wrong type of Technical Proposal will result in the Proposal being deemed non-responsive.

*Note: The Technical Proposal shall **NOT** include any financial information. A Technical Proposal containing financial information shall be declared non-responsive and will be rejected.*

2.15.2) Financial Proposals

The bidder should submit the financial bid to (Communication Address) **"Financial Bid - AGENCY NAME " Selection of an Event Management Agency (EMA) for Asian Weightlifting Championships from 10-17 May 2026 at Mahatma Mandir Convention and Exhibition Centre, Gandhinagar, Gujarat "** as per the format indicated in Form Fin-2 of the RFP document.

Note: Both the Technical Bid and the Financial Bid shall be submitted concurrently, each enclosed in separate sealed envelopes, duly superscribed as per the instructions provided. These envelopes shall then be placed together in a single outer envelope and submitted to the designated Communication Address within the prescribed deadline.

2.15.3) Outlier Clause: It has been seen that certain bidders bid frivolously low to be competitive and get the contract. However, these bidders may not be having necessary competence to execute the project. There are various institutionalized mechanisms to reject such outliers. Some of these are as follows:

- I. **Financial Extremes:** - Commercial bids on financial extremes (lowest & highest) of the estimated cost of the project should be eliminated, to limit only best value offers and ensure economic advantage.
- II. **Median Approach:** - Commercial bids which are more & less than a particular % off the calculated median of all Commercial bids are eliminated.
- III. **Cluster Approach:** - Commercial bid values which are closest to each other and form a cluster can be the ones considered for further evaluation; rest being eliminated. However, given the simplicity of usage, the following approach is suggested for all the Cost Based Selection and Quality Cum Cost Based Selection.

“Financial Bids that are less than % of the average bid price will be disqualified [the average bid price is computed by adding all Financial Bid values of ALL the qualified bidders and dividing the same by the number of bidders].”

2.16) Conflict of Interest

IWLF’s policy requires that bidders should provide professional, objective, and impartial advice and at all times hold IWLF’s interest’s paramount and strictly avoid conflicts with other assignments or their own corporate interests. Without limitation on the generality of the foregoing, companies, and any of their affiliates, shall be considered to have a conflict of interest and shall not be recruited, under any of the circumstances.

2.17) Conflicting Activities

A firm that has been engaged to provide goods, works, or services for a project, and each of its affiliates, shall be disqualified from providing consulting services related to those goods, works or services. Conversely, a firm hired to provide consulting services for the preparation or implementation of a project, and each of its affiliates, shall be disqualified from subsequently providing goods, works or services for such preparation or implementation.

2.18) Conflicting Assignments

Neither firm (including their personnel and sub-consultants) nor any of their affiliates shall be hired for any assignment that, by its nature, may conflict with another assignment of the consultants. As an example, consultants hired to prepare engineering design for an infrastructure project shall not be engaged to prepare an independent environmental assessment for the same project, and consultants assisting a client in the privatization on public assets shall

neither purchase nor advise purchasers of, such assets. Similarly, consultants hired to prepare Terms of Reference (TOR) for an assignment shall be annexed to the Bid.

2.19) Ownership Rights

Ownership of anything (platforms, code, data, reports, deliverables outcome etc.) (a) that is conceived, discovered, developed or otherwise made by a selected bidder, solely or in collaboration with others, in the course of performing the assignment pursuant to the award of Contract under this RFP; or (b) that reflects or contains IWLF's confidential information; or (c) that forms all or part of a deliverable to be provided by the selected bidder, whether developed as part of the assignment or separately ("Work Product"), will be the sole property of IWLF and IWLF shall have all the rights, title and interests in respect of the same, in accordance with the terms of the Contract.

2.20) Conflicting relationships

The bidder (including its personnel) that has a business or family relationship with any member of IWLF staff who is directly or indirectly involved in any part of (i) the preparation of the Terms of Reference of the assignment, (ii) the selection process for such assignment, or (iii) supervision of the Contract, may not be awarded a Contract, unless the conflict stemming from this relationship has been resolved in a manner acceptable to IWLF throughout the selection process and execution of the Contract. Bidders have an obligation to disclose any situation of actual or potential conflict that impacts their capacity to serve the best interest of IWLF, or that may reasonably be perceived as having this effect. Failure to disclose the said situations may lead to the disqualification of the bidder or the termination of its Contract.

2.21) Issuance of Work order/ Letter of Intent (LoI)

Upon completion of the selection process, IWLF shall issue the Work order/ Letter of Intent (LoI), to the selected vendor. Vendor is expected to commence the work immediately upon receipt of the work order/ LoI without fail. Vendor shall intimate to the concerned officer, before deployment of manpower, material, Machinery etc, into the premises.

2.22) Indemnity

The Selected Bidder shall, subject to the provisions of the Agreement, indemnify to IWLF up to the cost for this project for any direct/indirect loss or damage that is caused due to any deficiency in services. The format of Indemnity shall be shared with selected bidder.

2.23) Confidentiality

Information relating to evaluation of proposals and recommendations concerning awards shall not be disclosed to the bidders who submitted the proposals or to other persons not officially concerned with the process. The undue use by any bidder of confidential information related to the process may result in rejection of its proposal and adversely affect its prospects.

2.24) Authorization of Signatory:

The Bid may be signed either by the Principal Officer of the Agency or his duly Authorized Representative, in which case he/she shall submit a certificate of authority. All certificates and documents (including any clarifications sought and any subsequent correspondence) received hereby, shall, as far as possible, be furnished and signed by the Representative or the Principal Officer. The Principal Officer/ authorized representative of the Agency shall sign the proposal and also initial all pages of the original Technical and Financial Proposals. The authorization shall be in the form of a written power of attorney accompanying the Proposal or in any other form demonstrating that the representative has been duly authorized to sign. The power or authorization, or any other document consisting of adequate proof of the ability of the signatory to bind the Bidder shall be annexed to the Bid.

2.25) Submission, Receipt, and Opening of Proposals

It is proposed to submit the bid at communication address provided earlier as under;

2.25.1) File-1: Technical Proposal

Technical Bid/Proposal including technical evaluation documents and other relevant information pertaining to the RFP. Bidders are advised to submit the supporting documents against each criterion in technical evaluation parameter in summarized way in booklet form stating all the elements required for technical bid viz. details of past projects ongoing/completed in letter head, project team, photographs of previous projects (if any), presentation for better assessment of technical evaluation. The technical proposal needs to be submitted to (Communication address)

Note: - Technical proposal must contain Pre-qualification documents & EMD as mentioned in the relevant provisions of the RFP. Bids will be rejected if the proposal is submitted without requisite documents & EMD.

2.25.2) File-2: Financial Proposal:

Financial bid document & BoQ along with the covering letter as per the format prescribed in the RFP. The bidder should submit the financial bid to "**Financial Bid - AGENCY NAME - Selection of an Event Management Agency (EMA) for Asian Weightlifting Championships from 10-17 May 2026 at Mahatma Mandir Convention and Exhibition Centre, Gandhinagar, Gujarat** " as per the format indicated in Form Fin-2 of the RFP document.

2.26) Proposal Evaluation

From the time the Proposals are opened and up to the time the contract is awarded, the bidders shall not contact IWLF on any matter related to its Technical and/or Financial Proposal. Any effort by bidder to influence IWLF in the examination, evaluation, ranking of Proposals, canvassing in any form or recommendation for award of Contract, may result in the rejection of the bidder's proposal. Evaluators of Technical Proposals shall have no access to the Financial Proposals until the technical evaluation is concluded.

2.26.1) Evaluation of Technical Proposals

Proposals which are not supported by adequate proof of the Signatory's Authority will not be evaluated. Evaluation of technical proposal shall be solely based on the criteria defined in the RFP. IWLF will scrutinize all the documents submitted by bidders in the proposal. A Proposal shall be rejected at this stage if it does not respond to important aspects of the RFP, or if it fails to achieve the minimum technical score indicated in the relevant sections in the RFP. The Technical proposals which are unsigned, and incomplete shall not be evaluated.

2.26.2) Proposal Evaluation:

a) Evaluation of Technical Proposals

$$Ts = 70x(T1/Tmax)$$

Where **Ts** is the technical score

T1 is the technical evaluation of any agency.

Tmax is the highest technical score among the qualified agencies

b) Evaluation of Financial Proposals

The financial bid of only those bidders who are shortlisted after technical evaluation will be opened for financial evaluation in the sequence given in

$$Fs = 30 x(Fmin./F1)$$

Where **Fs** is the financial score

F1 is the financial bid of any qualified agency.

Fmin. is the least financial bid among the qualified agencies

Combined and Final Evaluation: Combined score (S) (technical score (Ts) plus financial score (Fs)) shall be calculated based on Technical and financial scores of the Bidder as per QCBS system (**S = Ts + Fs**).

Selection of Bidder: The Bidder securing the highest combined score (S) would be the selected Bidder.
